RAISING AIDAN

Aidan was diagnosed on 30 March 2011 with a very rare genetic disorder called Costello Syndrome. Because it is so rare (he is the 2nd diagnosis in SA and only 2 – 300 people have it world-wide), not much is known about it, and management of the condition is based on dealing with the symptoms as they arise and using a pro-active approach in early detection of potential problems. Over the next number of years, I will need to do abdominal scans every 3 months to screen for cancerous tumours in his tummy, and heart scans as Aidan has a thickened left ventrical wall. After the age of 10, he will need to undergo tests for bladder cancer too... but today, I am just taking one step at a time. To give Aidan the best chance in life – I am encouraged to do Occupational Therapy, Physio Therapy, and Speech Therapy at least once a week to help him develop to his full potential. Unfortunately our medical aid does not pay for most of his needs, and as a single mom, I want the best for my child, and hopefully he will astound me with his determination to do things as he has done so far! His therapy and medical requirements, dietary supplements and related expenses cost over R30 000 per month so far... and I am asking you to spread the word about our delicious MICROWAVE Cake and Cup Cake Mix that sends your taste buds into a frenzy with their moist, light texture, AND that bake in under 3 minutes, in order to raise funds for my Big Boy. They come in Chocolate, Vanilla, Coffee, Caramel, Custard, Chai, Horlicks and Strawberry! ch purchase of a Microwave Mix at R30, helps me to raise the necessary funds for Aidan – while satisfying your taste buds with every mouthful!

Each pack sells at R30. (R43 for GLUTEN FREE), and icing kits at R25 and helps me to raise the necessary funds for Aidan. Services I offer:-

- 20 packs + ordered (amongst your office / family / friends) deliver at no extra cost within the Jhb area;
- I am looking for agents who would like to sell on my behalf and earn extra income while helping a worthy cause;
- School rings – I do ready baked trays of cupcakes from between R60 to R100 per tray of 6.
- Corporate Bribery sessions – I come to your office and take over your boardroom or any available space to give everyone free tasters and in return I promote my cup cake packs.
- Birthday cakes starting from R450 for themed butter icing cakes ... to plastic icing specialities.

Your support, interest and help are greatly appreciated. Contact Melissa 0836788819 / Melissa@raisingaidan.co.za www.raisingaidan.co.za.

BARKING MAD

One of our Residents supports the Barking Mad / DogtownSa outreach program. If you would like to support or assist Barking Mad, please see ways to do so below.

You see them snuggle under their blankets at night, their eyes filled with unconditional love but have you ever wondered what happens to our four legged friends when they've been abandoned and left to fend for themselves. Barking Mad/DogtownSa is a PRO LIFE animal network/shelter which helps abused and abandoned dogs find their forever families. Our website www.barkingmad.co.za is a central point for animals looking for their "forever homes". Along with our click to feed project which helps raise food for 30 rescue centres around SA. Our shelter's name is DogTownSa where we have between 60-100 dogs which we have rescued and care for.

We are always in need of blankets or even your old towels to use, also dog biscuits, tinned food, and raw hide chews toys etc, anything dog related really would be great. We need YOUR support PLEASE Sms DOG to 38919, sms's cost just R10. YOU can save a shelter dog today. Contact Lindy at lindyjane@barkingmad.co.za if you would like to help or get more involved. Donations may be dropped off with Rose or Laura at the Clubhouse and will be collected from there for delivery to Barking Mad.

PROJECT PRINCESS

Project Princess is a fabulous initiative which was recently started up in Johannesburg by local entrepreneur, Ms Georgie Colling who has teamed up locally with a couple of ladies including resident, Sue Harwood. Project Princess has expanded to Pietermaritzburg and early 2012, to Cape Town.

The objective is to provide 80 matriculants (many child-parents) from the Ikageng Foundation, Soweto, and the opportunity to attend their matric dance, dressed up as the Princess they've always dreamed of. To date, Project Princess Jhb has collected over 200 dresses for the 80 Ikageng girls to choose from. They attend Orlando West High, Phensi Secondary School or Dr Beyers Naude School in Dube and will represent their school for their 2012 Matric dance.

Please dig into your wardrobe for that wedding dress/matric dress/bridesmaid's outfit that you (or your daughter) will NEVER wear again! Where necessary, dresses will be altered to fit each young lady for their magical big night. We are also collecting jewellery, smart shoes and bags. Please also consider donating suits, tuxedos, ties and smart lounge shirts or shoes that your husband/sons no longer wear, to kit out the Princes on their special night!

We would also welcome contributions to turn the Ikageng offices into a "Boutique" atmosphere – i.e. dress rails, coat hangers, full length mirrors, draping, refreshments, jewellery and shoe stands. This is your chance to make a BIG difference to someone's life! This is an ongoing project and will continue throughout the years to bring joy to matriculants (who could otherwise not afford to dress up) on an annual basis.

If you live in the Dainfern/Johannesburg area and wish to contribute, please contact Georgie Colling on 083 267 0913 to arrange for delivery or collection. For more details & updates, see our Facebook page <http://www.facebook.com/pages/Project-Princess-Jhb/183528705050234>
